

SERVICE DETAILS

UAFL maintains best in market delivery into the Indian Ocean Islands with this Service. The Comoros Express consists of vessels operated by UAFL and sails through Karachi and Jebel Ali every 24 days. It focuses on the needs of Customers in the Indian Ocean Islands and East Africa - fast tracking cargo into our transshipment hub (Mutsamudu) and allowing for quicker delivery into Madagascar, Mozambique, and Comoros. With a direct call to Moroni and Mutsamudu, this service pays homage to the original MEX 1 Service which earned UAFL its good reputation in these markets. Cargo from India, Asia, Europe and other Middle East/Gulf ports is transhipped over Jebel Ali.
